

## REQUEST FOR SPC ASSIGNED MINISTRY ROLE CODE

If you have checked **Interdenominational/ Special Service** as your role code, you must have the **written approval of the District Advisory Board** (Manual, para. 433.11). Such requests will be considered by the Advisory Board at its meeting in mid-March.

In addition to your annual report, you must provide the Advisory Board with a copy of the Statement of Faith and of the governance of the church/organization you are serving, reflecting that its doctrine and governance are in the mainstream of the historic evangelical Christian churches. **All of these materials must be in the District Office by March 1** in order to be included on the Advisory Board's agenda.

Those having already filed these documents with the District Advisory Board must indicate on the report

*"No change in church/organization served and no change in doctrine/governance"*

if, in fact, there has been no change. Otherwise, a statement outlining any changes must be included. If you are serving a different organization entirely, you will need to provide the initial documentation as described above.
