

Course of Study Options

The Church of the Nazarene requires an approved/validated Course of Study consisting of 24 courses in order to fulfill the education requirements for ordination.

- The recommended avenue of preparation for full-time Christian service is by attending a ***Nazarene liberal arts college or university*** and, if possible, Nazarene Theological Seminary.
- Attending ***Nazarene Bible College***, either as a resident student or an online student, is another viable option.
- A third option is to complete the ***Modular Course of Study*** (online) offered by Northwest Nazarene University. A college degree is not awarded upon completion of the Modular Course of Study.
