

SAMPLE BALLOT

2017 Intermountain District Assembly

**A brief biographical sketch has been provided for NNU Trustee, Advisory Board, and SDMI Board*

In addition to the sample ballots shown below, there will be a YES/NO ballot on the re-election of our district superintendent, Rev. J. Scott Shaw, to a four-year term.

DISTRICT ADVISORY BOARD ELECTION OF MINISTERIAL MEMBERS

Five (5) ministers will be elected in two steps.

Step One: The Assembly will elect one minister from each region. The ballot for this step is shown below.

PLEASE NOTE: The names appearing on this sample ballot may change in the event that one or more of the persons below is elected as an NNU Trustee. In such case, that individual has the option of whether to allow his or her name to appear on this ballot. If this individual allows his or her name to appear and is *also* elected to the District Advisory Board, district policy stipulates that the doubly elected individual must choose which election to accept. If the individual does *not* allow his or her name to appear on this ballot, the Nominating Committee is prepared to add another qualified nominee to the ballot.

Step Two: The Assembly will elect the remaining two positions from among all of the remaining nominees irrespective of region.
